PROFESSIONAL SUMMARY

Fourth-year Information Systems undergraduate with experience delivering academic and personal software projects from requirements gathering to implementation. Strong foundation in business analysis, project coordination, and Agile development practices, complemented by hands-on experience with Flutter, MERN, Firebase, and analytics tools. Proven leadership through student organizations and collaborative team projects. Seeking a Business Analyst or Project Management internship to contribute analytical, organizational, and communication skills while gaining industry experience.

SKILLS & COMPETENCIES

Project Management & Business Analysis: Requirements Gathering, Business Process Analysis, Agile Development, Sprint Planning, Project Documentation, Stakeholder Communication, Status Reporting

Technical: Flutter, React, Node.js, Firebase, MERN Stack, REST APIs, Git/GitHub

Programming: Dart, JavaScript, Java, Python, HTML, CSS

Analytics & Tools: Google Analytics 4 (GA4), Meta Pixel, Microsoft Excel

Soft Skills: Leadership, Team Coordination, Communication, Problem Solving, Time Management

KEY PROJECTS

MoodMirror – AI Mood Journaling App

Group Project

Flutter, Firebase, Gemini API

- Coordinated development activities within a three-member team, contributing to planning, task allocation, and feature integration.
- Gathered and translated functional requirements into application features using Flutter, Firebase, and Google Gemini API.
- Ensured successful project delivery by resolving technical issues and maintaining project timelines.

Expense Tracker with AI Spending Assistant

Personal Project

Flutter, Firebase, Gemini API

- Defined functional requirements and designed application workflows for an AI-powered expense management application.
- Managed end-to-end feature implementation from planning through testing.

Recipe Finder

Personal Project

Flutter, TheMealDB API

- Delivered a polished recipe discovery app with debounced search, pull-to-refresh, shimmer loading states, and category browsing
- Diagnosed and resolved state-management and emulator rendering issues to stabilize the release

CineCart & Analytics Dashboard *Coursework Project, E-Commerce & Big Data Analytics* *HTML/CSS/JS, Django, GA4, Meta Pixel*

- Built a data-collection e-commerce site instrumented with GA4 and Meta Pixel event tracking
- Built a multi-platform analytics dashboard aggregating GA4, Meta, TikTok, and YouTube metrics for stakeholder reporting

MusicHive – Artist & Band Management System *Group Project* *MongoDB, Express.js, React, Node.js (MERN)*

- Served as the Project Manager for a six-member development team.
- Coordinated project planning, requirement discussions, and task allocation throughout the development lifecycle.
- Collaborated with team members to develop a MERN-based platform for artist and event management.

LEADERSHIP & VOLUNTEERING

Team Leader, OGV B2C Digital Marketing *AIESEC in USJ | Jan 2025 – Present*

- Lead a team executing digital marketing campaigns aligned with organizational objectives

Volunteer Management Committee Head *IEEE Student Branch USJ | Jan 2024 – April 2026*

- Organize and coordinate volunteers across branch activities and events

Editorial Team Member, WIE Affinity Group *IEEE USJ | Jan 2025 – Jan 2026*

- Contribute to content creation and publication for the affinity group

Finance Committee Member *Rotaract Club of USJ | Jan 2023 – June 2026*

- Assist in managing club finances and budgeting

EDUCATION

Bachelor of Computing Honours, Information Systems *Reading (GPA =3.56)* *University of Sri Jayewardenepura, Sri Lanka*

CIMA – Operational Level, Accounting and Finance *Jan 2024 – Nov 2024*

Comprehensive Master Java Development (CMJD) *Jan 2023 – Dec 2023* *Institute of Software Engineering (IJSE), Sri Lanka*

Taxila Central College *Horana, Sri Lanka* *Secondary Education | Jan 2013 – Dec 2021 | Z score: 1.14*

ACCOMPLISHMENTS

- Participant, IEEEExtreme 17.0 & 18.0 (competitive programming)
- Participant, Codefuse 2.0

LANGUAGES

English (Professional Proficiency) | Sinhala (Native)
